

BUCKINGHAM PALACE

20 April 2007

Dear Doctor Sen,

Her Royal Highness The Princess Royal has asked me to write and tell you how much she enjoyed her visit to the seafront development at Caol and would like me to thank you all for the warm welcome she received.

What you have done is remarkable and Her Royal Highness could not have been more impressed. The Princess was delighted to meet so many of the people involved in the project and would like me to congratulate the local community, the council and the various other organizations responsible for this miraculous transformation.

The Princess Royal was very grateful for the beautiful flowers and has asked me to pass on her special thanks to Mr. Corbett and everyone else involved in the organization of such a memorable visit.

Yours sincerely

Harriet Bowles-Hon

Lady in Waiting to  
HRH The Princess Royal
